(*c*) and (*d*) No special reasons can be given for the poor performances of some of the schools which secured low percentage of eligible candidates. The managements of local bodies and private secondary schools which scored less than 30 per cent were requested to take necessary action against the persons responsible for poor results. No Government school in this district scored less than 30 per cent in the S.S.L.C. Public Examination of March 1956 and March 1957.
